

APPENDIX C: Subject Approach to Assessment Delivery

Subject:	Geography AS Level
Director Of Standards:	Lucy Kirkham
Plan Created By:	Lucy Kirkham
Plan Quality Assured By:	Duncan Aggleton

Please outline what the conditions will be for each of your assessments outlined in the Assessment Plan:	Unit 1 will take place over 3 lessons with 120 minutes amount of time assigned to high control. Unit 2 will take place over 2 lessons with 66 minutes amount of time assigned to high control.
Please outline how you will implement access arrangements if they are required. Please maintain confidentiality here:	We will follow the school procedure on access arrangements which is aligned to the JQC policy. Staff will use SIMS to ensure that all pupils with access arrangements have those arrangements met. Staff will use the document stored in the Exams office to ensure that they have a secure knowledge of what the access arrangement for each pupil is. Staff will liaise with the ALNCo or Mr Davidson should there be any queries regarding access arrangements. Specifically Pupils who require additional time will have this time built into the lesson while the remainder of the class engage in a non-assessed follow-up activity. During the assessment teachers will be monitoring the classroom carefully to ensure conditions are followed.
Please outline how you will ensure the authenticity of each learner's work:	Where an assessment takes place over more than one session papers will be kept securely between lessons. Teachers will carefully monitor assessment situations to ensure that appropriate conditions are adhered to. At the start of each session teachers will remind students of exam procedures for authenticating own work regarding mobile devices, storage devices and communication.

	Where an assessment falls during scheduled teaching and learning, any material pertaining to preparation or revision for the assessment on a screen or whiteboard will be removed. Pupils will be required to sign a declaration ensuring that the work is the pupil's own work.
How will you make this assurance if the work is completed remotely, i.e. will you use other evidence to authenticate?	In circumstances where an assessment is forced to happen remotely: <ul style="list-style-type: none"> • Staff will prioritise assessments which are easier to supervise remotely. • Staff will set clear timelines on assignments for the submission of assessed work, with the understanding that if there is the very rare circumstance where a piece of work cannot be uploaded a parental declaration will support that fact • Historic attainment data will be used to help establish the validity of work done under such circumstances • If necessary a plagiarism check will be undertaken Assessments with published markschemes will be altered and quality assured to ensure they are still appropriate
If a teacher is asked to award a grade for a family member or family friend it is deemed a conflict of interests. Do you anticipate any potential conflicts of interest? How will you resolve them?	There are no conflicts of interest
Will you commit as a department to engage in relevant WJEC training events?	Yes
