Please confirm that all members of the department involved in the creation of assessments have undertaken the above professional learning:	I confirm that all members of the department involved in the creation or adaptation of any materials attended training on 25 th March 2021 relating to the creation or adaptation of assessments.

<p>If you have made any minor adjustments to WJEC assessments, please explain how you implemented the WJEC Assessment Creation Guide:</p>	<p>Not applicable</p>
<p>If you have created any assessments please use the WJEC guide to explain how you have ensured they are valid, fair and reliable for all learners:</p>	<p>Not applicable</p>
<p>Please explain the Quality Assurance process used in the department to check that these assessments are valid, fair and reliable for all learners:</p>	<p>Directors of Standards, responsible for the decision making regarding assessments attended training on 18.3.21 on assessment creation and accessed the WJEC professional learning video and the WJEC Assessment Creation Guidance Document.</p> <p>Leaders of Skills, responsible for agreeing and Quality Assuring the assessments attended the same training, independently of Directors of Standards on 25.3.21</p> <p>For every assessment undertaken by students the Leader of skills Quality Assured that the assessment was fair and accessible, valid and reliable. This is recorded on the Department Summer 2021 Assessment Sign Off documents and stored with hard copies of all assessment papers</p>
