

My plan to tell the yr 6  
pupils!

Caitlin Stokes.

# The best thing about school.

The best thing about school is seeing my friends and learning new languages. I have learnt a lot of Spanish, and I am really enjoying Welsh. I really want to learn French because when I was 4 ½, I started attending a club, but it stopped when I was 9. So I was learning French for 5 years, and I really want to learn some more.

# Before Bassaleg feelings!

Before joining Bassaleg, I was really nervous about meeting new people, but since starting year 7, I have made a lot of new really good friends. We are all different and that's a good thing because if we were all the same, we would never try different things.

# My favourite subjects!

My favourite subjects are definitely English, Spanish and Music. I love English because we have the best teacher ever! He is funny, cool and trust worthy. I love Spanish because it has got me more into languages, and it makes me better at pronouncing. I love Music because I love to sing, I can play the piano and keyboard, and I also have a violin.

# Canteen food!

There is a cold section in the canteen and there is a hot section. In the cold they sell cold pasta or noodles, baguettes, sandwiches, cookies etc and fizzy drinks and water. In the hot section they do curries, jacket potatoes, pasta, pizza etc they do cookies and brownies! (All of the food is AMAZING!!)

# 3 good surprises!

1. Meeting someone in my form who turned out to be one of my best friends and who makes my days at Bassaleg exciting, interesting and hilarious.
2. Getting the best teachers on the planet!
3. How much I love the tie in the uniform!!! I think it makes me look very smart and responsible.

# The timetable!

The timetable for your lessons, break, lunch and hometime.

Lesson 1: 9:00 - 10:00

Lesson 2: 10:00 - 11:00

Break: 11:00 - 11:20

Lesson 3: 11:20 - 12:20

Lesson 4: 12:20 - 13:20

Lunch: 13:20 - 14 :05

Lesson 5: 14:05 - 15:05

# If I need help or a chat!

If you need help with work or something like that, you must remember to ask your peers, your teacher or your family members.

If you just want a little chat because something is getting you down, there is always a place to chat. It is the Hwb in Griffin. You can go to the Hwb and Ms Grey or another teacher will be there and you can have a chat about things you want to tell.

# Homework!

You do get a lot of homework, but it isn't all that bad! Some pieces of homework are really fun!!! Like the Art homework we are doing right now. You will have Maths homework to do with a website called “Hegarty Maths” and that is fun.

# Community days!

Community days are when we get dressed up and raise as much money as we can for the school. We might do bake sales or sports activities. You can come into school dressed in whatever you want!

# World book day!

On World Book Day, just the same as Primary, you can dress in whatever character from a book you like! The most popular one this year was Matilda, which was what I went as!!

The most important thing!

Remember, the most important thing you have to do in Bassaleg is HAVE FUN!!!
