

6th Form uniform policy 2019/20

Ethos and spirit of the guidelines

We want to promote an environment in which Sixth Formers set a clear and professional example for the rest of the school. That involves modelling high standards of appearance and comportment at all times, whether in lesson or around the site.

Pupils who refuse to comply with the basic requirements of the policy or who choose to flout these stipulations risk sanction by the Head of Sixth Form in the first instance. Repeated and sustained infringements **come with the risk of a pupil being sent home from lessons until such time as they have rectified the issue with their uniform.**
