

# What is geography?

Geography is about people and places and how they are connected.

Geography helps us to understand the most important issues facing the world today and find solutions to improve people's lives

Have you  
heard of this  
law?

Click on the link to find out more about  
this important law

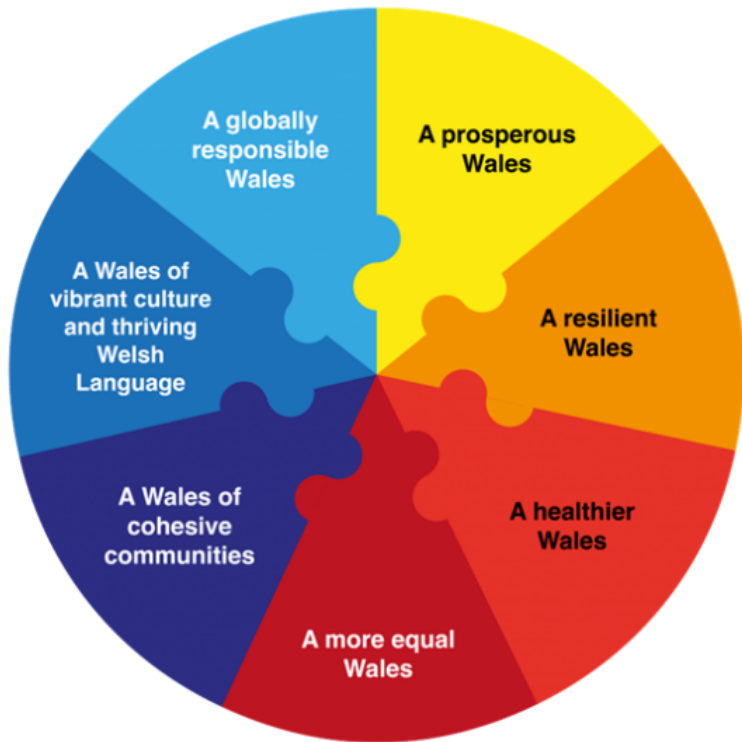

<https://www.youtube.com/watch?v=rFeOYlxJbmw>

# *The Well-being of Future Generations Act* covers a lot of GEOGRAPHY

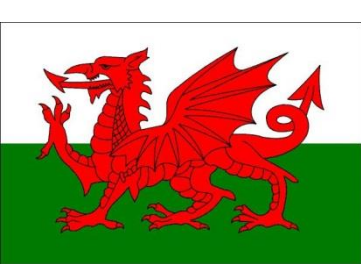

Watch the video clip again and think about these questions.

1. What are the seven different goals?
2. Which goal do you think is most important?
3. Which goal would have the greatest impact in your local area? Why?

# Optional Transition Task

## Make a poster to illustrate the *Well-being of Future Generations (Wales) Act*.

- Use a range of coloured images and examples to illustrate the 7 different goals.
- Think of examples from both your local area and across Wales.
- Select imaginative ways to present your ideas.
